SPONSORSHIP & AUCTION OPPORTUNITIES

<http://brandontolsonfoundation.org/events/>

Who We Are/What We Do: The Brandon Tolson Foundation (BTF) was established as a result of the Tolson family experiencing the sudden tragic loss of their 20 year-old son and brother, Brandon. Because of this, we have a great desire to be able to turn tragedy to triumph. Our hope is to be able to provide financial assistance and a personal assistant in reference to the business aspect of death along with various other resources. The foundation will promote year-round activities to inspire the community to engage in the act of giving in order to bring life to dreams of helping others with the spirit of volunteerism. BTF seeks to exceed boundaries as a philanthropic organization designed to lessen the burden specifically to those families who are now where we have been.
