OUR MISSION:

The Brandon Tolson Foundation (BTF) was established to provide support, both personal and financial, resources & assistance to families who have experienced the sudden and tragic loss of a child. Born out of the loss of their son Brandon, the Foundation, led by Jon & Candi Tolson, is committed to helping other unprepared families through the indescribable pain and agonizing process of a child's death. BTF assists families with financial support (i.e. funeral expenses, lost wages, medical expenses, etc), fundraising efforts without fees to the family, therapists, support groups and more. We are honoring Brandon's legacy of "Don't Waste Your Life" as we support families through all aspects of their grief journey.
